

ECON 4514: Economic

Also, please do not ask me about grades via e-mail. According to FERPA, professors may not discuss your grades with anyone but you (or your parents if you are a minor). Since e-mail is not deemed a secure form of communication (I can't be sure you are the only one that will have access to the information I send) I cannot discuss grades via e-mail. So please don't ask.

Article Presentation and Assessment

You will each be assigned to a group and will be responsible for a 20 minute presentation of a journal article from the reading list. This presentation will be followed by questions on your article from the class and from Prof. Jobin. Your group will also hand in a six page written assessment of the article. Further instructions for this and all other shorter written assignments will be given separately.

Examinations

There will be two examinations. Both the midterm and the final will be take-home examinations. The midterm examination will be posted on the course site (CU Learn) on Friday July 17 and will be due Wednesday July 22. The final will be posted by Friday July 31 and due Friday August 7. Further instructions will be given when exam questions are posted.

Course Web Site

This syllabus and any announcements or updates to the course may all be found on the class web site. Go to <https://culearn.colorado.edu>. At this page you will need to enter your CU id and password to access CU Learn information. There is also a link to the syllabus and other information for the Economics department at the following site:

A Note about Readings:

The Readings will be posted on CU Learn with links where possible. If there is no link, look up the item in one of your texts or use the Journal information provided to find articles on the web through E-Journals via Norlin Library.

This schedule of readings is subject to change. Length of group presentations, class discussion, and other unforeseen circumstances may have an effect on how far we get through the material listed below. I will **NOT** change the exam dates, but may have to change the presentation dates if we get too far off schedule, so keep in touch with your group and with me. You may also check CU Learn regularly as I will post any changes there.
