

HOW TO CALCULATE YOUR IAFS GPA

Include ALL ATTEMPTED lower and upper division coursework that are listed requirements in the major.

--Note that this would include classes taken for the major that did NOT meet the needed grade of "C-" or better.

--Transfer credits from other institutions do NOT apply to your CU or IAFS GPA.

For foreign language, ONLY include those 3000-level classes which actually meet the IAFS proficiency requirement.

--For example, if you take FREN 1010, 1020, 2110, 2120, 3010, and 3050, ONLY include FREN 3010 AND 3050 in the gpa calculations.

| | | |
|-----------|----------|------------|
| A | = | 4.0 |
| A- | = | 3.7 |
| B+ | = | 3.3 |
| B | = | 3.0 |
| B- | = | 2.7 |
| C+ | = | 2.3 |
| C | = | 2.0 |
| C- | = | 1.7 |
| D+ | = | 1.3 |
| D | = | 1 |
| D- | = | 0.7 |
| F | = | 0.0 |

To calculate your Quality Points, multiply the number of credits for each class by your grade.

To get your gpa, add up all your Quality Points and divide by your total number of credits.

| | | | | |
|----------|-----------|------------------|----|-------------------------------------|
| EXAMPLE: | IAFS 1000 | 4 credits | A | 4 X 4.0 = 16 Quality Points |
| | PSCI 2012 | 3 credits | C- | 3 X 1.7 = 5.1 Quality Points |
| | PHIL 3260 | 3 credits | B+ | 3 X 3.3 = 9.9 Quality Points |
| | SPAN 3000 | <u>5 credits</u> | F | <u>5 X 0.0 = 0.0 Quality Points</u> |
| | | 15 credits | | 31.0 Quality Points |

GPA = 31.0 divided by 15 = 2.067
